CARPET CLEANER

# PLATINUM Collection™

## MAXEXTRACT™ TECHNOLOGY

MaxExtract™ technology features the most advanced combination of multi-action agitation, carpet washing, dirt removal and direct heat drying - all in one machine. This technology delivers a floor that is not only deeply cleaned, but a room that can be lived in again within hours!

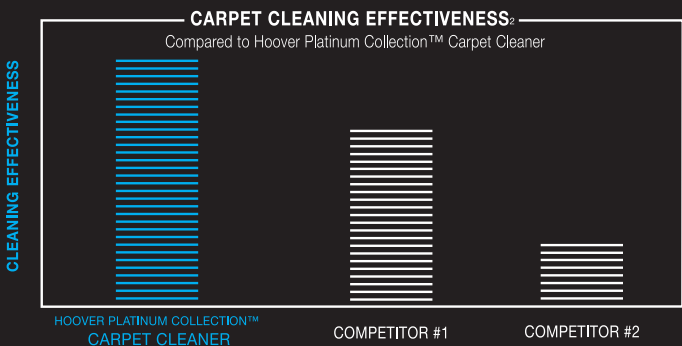

Dual scrubbing<sup>1</sup>, multi-directional brushes have been specifically engineered to surround carpet fibers, removing dirt at every angle.

High velocity suction removes both dirty water and soap residue, leaving carpet revitalized. Forced heat further speeds the drying process. No sopping wet carpets. No musty odors. Just clean carpet.
