

T50

Practica™ T50 Headset Telephone

Enjoy hands-free comfort while talking with family and friends

Experience the comfort and clear sound quality of a headset telephone from Plantronics, the people who know headsets best. The stylish, ergonomic design allows you to talk comfortably with family and friends while you jot down notes, type on the computer, or work on hobbies, without the discomfort of cradling a telephone handset. Great for the home or student dorm, this complete hands-free telephone installs in minutes.

Telephone available
in Deep Plum and
Arctic White

- **Clear Sound Quality and Comfort:** Designed by the headset leader for over 40 years
- **Lightweight Stylish Design:** Easy-on, easy-off over-the-ear headset with adjustable microphone boom provides ergonomic comfort and keeps you in style
- **Easy to Use:** Connects in minutes to a standard telephone jack
- **Versatile Accessory Jack:** Perfect for connecting a speakerphone or computer modem
