**Cisco IP Phone**

Clarity® is proud to introduce direct replacement **Walker**® handsets for Cisco New IP Phones. Equipped with a single pole, single throw switch, the push-to-talk handset completes the total package for secure conversations. The Cisco IP Network, coupled with Clarity's **Walker** PTT handset, alleviates the need to worry about compromised conversations.

- Clear static-free reception
- Electret transmitter provides extra-clear transmissions
- Hearing Aid Compatible
