Comments about *Flush Cut Sawzall® Blade (1 Pk):*

I volunteer every Saturday with My local Habitat for Humanity affilate. I tried this blade for the 1st time last Saturday at my current house. WOW, what a cool blade. we usually have issues with the window cut out "bevelling" into where we nail our windows to, with this blade, we didnt have a single window that got bevelled, Highly recommend this blade.

BOTTOM LINE Yes, I would recommend this to a friend
